6. All commercial intercourse between enemies is both prohibited and cannot be made obligatory between One and Respondent.

7. One is authorized to lodge One's complaint with the military of the United States and the World Court for war crimes against indigenous people and humanity.

One herewith declares and asserts on One's unlimited liability that One issues the Bill of Peace with sincere intent, that One is competent to state the matters set forth herein, that the contents are true, correct, and complete, not misleading, and the truth, that whole truth, and nothing but the truth to the best of One's knowledge, understanding, and deeply held spiritual convictions and creed.

**AFFIDAVIT & CERTIFICATION OF WITHDRAWAL**

This constitutes Actual and Constructive Notice that I, Michael-Todd: of the Ricks-Bey© Tribe/Family, do hereby, withdrawal, revoke, rescind, terminate, waive, decline, refuse, and forfeit any and all Contracts, Agreements, Applications for Social Security benefits and/or Social Security Documents NUNC PRO TUNC to June 16, 1959, due to "Fraud", "Non-Disclosure" and "failure of Fair Consideration" in Accordance with Uniform Commercial Code, Article I, § 107.

Furthermore, for the reasons set forth, upon discovery that by initiating the SS-5 Form and by marking the Box identified as U.S. Citizen, it has compelled and subjected Me as a Natural born human being to the dominion of Government for the promotion of their general welfare and protection of their individual as well as collective rights.

It has also compelled and subjected Me by not only marking the Citizenship box but also by altering the Moslem appellation of My name on the application to all CAPITAL LETTERS thereby compelling and subjecting Me to the Federal Governments Jurisdiction, Washington, D.C. (District of Columbia), or more accurately the Municipal Corporation of the District of Columbia (not exceeding ten miles square)/ and thereby altering My Natural free-born citizenship under Article II, § 1, c. 1.5.

It is further discovered that by the Social Security Administration and IRS assigning the Entity account to a Corporate Entity (ens legis), it has left the applicant in the position of a "fiduciary" or a sub-agent and as a Corporate surety or guarantor (liability) and upon further investigation and analysis by using the 6209 Manual (IRS) to decrypt and decode the individual master and/or business files for said Corporate Entity, reveal that said entity's account describes a high level of narcotics trafficker in a non-freeze alpha condition (ongoing criminal investigation) out of Puerto Rico, in which is part of the #62 PUERTO RICO SPECIAL FUND INTERNAL REVENUE, a place where I have never been?

Being the source, through the Social Security Administration and IRS, by assigning and altering My name to a Corporate Entity and account constituting inducement to transact business, and non-disclosure of material facts and legal ramifications, have also compelled and subjected the Natural physical person, Michael-Todd: Ricks-Bey© to the conditions of the Corporation Tax Act of 1909, which clearly states that "all income taxes are taxes on Corporations and not on people in their natural physical states, but in their artificial state", MICHAEL TODD RICKS.

To further affect my withdrawal, with no disrespect to the voluntary benefits only with held for the benefits of the elderly and necessities of that nature, which are created by pure participation Michael-Todd: Ricks-Bey©.

I personally am not desirous to participate in, nor contribute to the "American Experience in democracy" due to the obvious antinomy between the Republic, Guaranteed by the Original Organic constitutions and said democracy (non-constitutional). And further I Michael-Todd: of the Ricks-Bey© Tribe/Family have never knowingly, intentionally, nor deliberately (with full disclosure of the material facts and legal ramifications) transfer(ed) any property, Security Interests to the UNITED STATES, STATE OF VIRGINIA, COLORADO and/or any "STATE OF", its or their Agencies & Instrumentalities for Public use, nor have I made or executed any

transfer, promise, hypothecation/ or assignment thereof/ of any Right, Title, or interest therein to any third person, or persona, by or under the operation of 12 USC Sec. 95B, nor have I made any genuine or bona fide election to be treated as a "Citizen of the United States", (defined at 28 USC Sec. 3002(15), or "resident agent" thereof, by its or their Agencies or Instrumentalities/ notwithstanding Corporate Restructuring and/or reorganization pursuant to Act of Congress, February 21, 1871, 16 Stat. I, 419, and have altogether removed and secured My "res" from the Federal (Military) Corporate Districts and Venue, including but not limited to: Things corporeal and incorporeal, moveables (in tegrum), res mancipi and nes rec mancipi, things real and things personal, things in possession and chose actions, res singulae, tangible and intangible, chattel paper and goods bearing My name and Title, to include securing and Accepting for Value My application for Birth Registration, Live Birth Report, and insurance of "Certificate of Live Birth", all of which is the same "Security" as articulated in UCC Article 8, Sec. 103 7 105, and have Accepted for Value the Social Security Document, all of which is recorded and registered with the United States Secretary of Treasury, the Colorado State Department of Licensing, Uniform Commercial Code Division, Registration #2007-014-1237-3/Financing Statement and Colorado County Auditors Office, and other Document in which pertain to, include: Security Agreement & Addendum, Affidavit of Agreement for Suit, Affidavit of Cancellation of Contracts, Affidavit of Denial of Corporate Existence, Affidavit of Denial of Benefits, Certificate & Declaration of Sovereign Status/Oath of Renunciation, Notice of Trade Name &c.

Whereby as a Private Agent to the corporate entity otherwise described as Ship Owner as set out at 49 Stat. 1985, Title XI, I have taken the same at face value and duly filed evidencing a private maritime lien against the Corporate Entity, DEBTOR, MICHAEL TODD RICKS, on account of advances and necessities and against the DEBTORS organizations, franchised organizations, co-sureties, co-guarantors, and/or fiduciaries, agencies & instrumentalities by priority and right of indemnification as to any and all debts, duties/claims, charges or encumbrances by the UNITED STATES, STATE OF VIRGINIA, COLORADO and/or any "STATE OF", its or their agents, employees, officers, representatives trustees and fiduciaries situated within the Fifty de jure States comprising the Union, under color of Title 12 USC Sec. 95B, October 6, 1917, et seq., House Joint Resolution 192 of June 5, 1933, stemming from Presidential proclamations No. 2039 of March 6, and 2040 of March 9, 1933.

Further, I do not desire to contribute to, or with the existence of CORPORATE FICTION(S) created to immunize its officers, agents, employees, trustees, and fiduciaries from liability or responsibility by passing the same on to the shoulders of a non-existent "Fiction of Law" (ens legis), such as the UNITED STATES, STATE OF VIRGINIA, COLORADO and/or any "STATE OF", its or their Agencies & Instrumentalities under a contrived National Emergency, allowing inland privateering and repeated "Hobbs Act" violations (larceny) violating Title 18 USC Sections 1951, 1962 of June 25, 1948, c. 645, 62 Stat. 793 (September 13, 1994) Public Law 103-322, Title XXX, Section 330016(1)(L) 108 Stat. 2147.

In which I have every Right to withhold giving a claim upon or against My property, and interests therein, UCC Article 9, Sec. 204(3), and to withhold registering, licensing, or otherwise encumbering said property and interests therein to protect the same from factor's claims, warehouseman's claims, or from becoming 'alieni juris' by and through a maritime claim against the same, or anything relating or pertaining thereto, as evidence within My Security Agreement, notwithstanding, Senate Doc. No. 43, 73<sup>rd</sup> Congress, 1<sup>st</sup> Session (March 9, 1933), Treaty Doc. No. 97-19 (February 17, 1950) at page 494, nor Counsel of State Governors presumed Acts of

"pledging all property" within their jurisdiction and control for want of a consideration to lawfully acquire title thereto, all of was arbitrary and capricious and without authority of "Law". According to the Lieber Code, which discloses that the rules of property are not displaced by Proclamation of a contrived National Emergency over a Bankrupt Nation on account of acquiescence to passage of the Federal Reserve Bank Act of December 23, 1913/ Session II, Ch. 6, Codified at Title 12 USC Sec. 411, giving every agency or instrumentality of Government the right (a cession of War) to accept, receive, hold, and dispose of "hypotheications" of the people of the Fifty States comprising the Union of America, ultimately amounting to Treason, Sedation, Peonage, and Involuntary Servitude against the people and Myself.

Ultimately it is the duty of the Social Security Administration to acknowledge this Notice of Withdrawal and any other Notices and/or correspondences that have and am providing, that they or the IRS has no quasi in rem, secret maritime in rem, transitory in personam jurisdiction over MICHAEL TODD RICKS, surnamed My "res" on the erroneous presumption of res derelicta (abandonment) of property security interest, by further doing so will constitute libelous and slanderous assumptions of jurisdiction, power and authority and the written and unwritten "policy" of said actors in continuing to interfere with the "Private" Commercial activity (i.e. exercise of My Right of property) without said Corporate Commercial Venue and without indenture, operation and/or application of any *causi debendi* Statute, Code or Regulation (*mala prohibita*) do continue to perpetuate a criminal fraud, artifice, scheme or enterprise against MICHAEL TODD RICKS under color of Title 50 USC App. Sections 1-6, 7-39 and 41-44, and the Trading with the Enemy Act of October 6, 1917, Ch. 106, 40 Stat. 411, amounting to the before mentioned above, motivated by the invidious economic animus of a "Bankrupt" threatened with the loss of Security for the benefit of its Principle Creditor.

In closing, I would also like to point out upon discovery that without disclosure or discussion I was coerced into believing I could not work without having and retaining a Social Security card/Number and without filling out a W-4 Form.

But upon discovery to with hold State income taxes under Title 5 USC Sec. 5517 (a)(1), it provides: "for the collection or tax by employers..." if any employee voluntarily elects to have such sums withheld. I do not believe I have ever made that agreement.

Under 26 USC Sec. 6109(a)(c), it only requires an employer to Request a Social Security Number from an employee, not demand one.

Also under 26 C.F.R. §31.3402(P)(1), voluntary withholding agreements, it provides: (a) An employee and his employer may enter into an agreement, under Sec. 3402(b) to provide for withholding of income tax... Then we look at, (b)(ii), which says, "an employee who desires to enter into an agreement under Sec. 3402(P) shall furnish his employer with a Form W-4..."

All of which was never done or agreed upon, at least with regards to My behalf and with My consent with full disclosure of the material facts set forth, creating fraud, and honestly I do not believe I personally ever even filled out any W-4 Forms for any employers within the past Twenty Nine years I have worked.

And under the Privacy Act of 1974, 88 Stat. 1896 Sec. 7(a)(1), I am not required to furnish a Social Security Number to any Federal, State or local Government agency.
